SUMMARY

Flutter developer and final-year Computers and Artificial Intelligence student. I build Flutter apps and their backends: my white-label learning platform runs for 5 tutors and 500+ students on Android and the web, and my apps have 800+ downloads across 5 Google Play listings.

EXPERIENCE

EdTech Platform Developer — Freelance Jun 2026 – Present
Remote

- Built and run a white-label learning platform (Flutter for Android and web, Laravel backend) used by 5 tutors and 500+ students.
- Shipped three branded Android apps from one codebase, all live on Google Play.
- Built per-tutor features: a LaTeX equation editor for math exams, and attendance with automatic WhatsApp alerts to parents.
- Implemented device lock, screenshot protection, field encryption, and role-based access (admin, teacher, secretary, student).
- Added QR attendance, video watch-progress tracking, monthly student reports, exam rankings, and FCM push notifications.
- Migrated the backend from NestJS (PostgreSQL, Prisma) to Laravel (MySQL).

Web Developer — Technova (startup) Jun 2026 – Present
Minya & Beni Suef, Egypt

- Built a booking website for a client in the United States (Next.js, Supabase).
- Built the company's official website.

PROJECTS

MN – CS 1 & 2 — Study apps for my faculty Jul 2025 – Present

- Two Flutter apps on Google Play with 600+ downloads: curated videos, PDFs, past exams, and MCQ / true-false quizzes.
- Firebase Crashlytics, Remote Config, and Realtime Database; AdMob; cached PDF and image viewer.

MotoRent · EasyGPS — Open source on GitHub

- Flutter apps using Clean Architecture, BLoC, Firebase, and Google Maps.

SKILLS

Mobile	Flutter, Dart, BLoC/Cubit, Clean Architecture, go_router, get_it, Hive
Backend	Laravel, PHP, MySQL, Firebase, Supabase, REST APIs, JWT (also: NestJS, PostgreSQL, Prisma)
Web	Next.js, React
Delivery	Google Play publishing, FCM, unit & integration testing, Git/GitHub
Academic	C++, Java, Python

EDUCATION

B.Sc., Faculty of Computers and Artificial Intelligence 2023 – 2027 (Expected)
Minia National University

CERTIFICATES & LANGUAGES

Flutter Development — ITI (online, 120 hours, 2025) · Score: 100%
